

HEART-SHAPED PIZZAS ARE BACK AT BOSTON PIZZA

Proceeds from Boston Pizza's annual heart-shaped pizza fundraiser support local charities selected by franchisees.

Boston Pizza franchisees from coast to coast are 'raising dough' for local charities as part of BP's annual Valentine's Day fundraising drive centered around Heart-Shaped Pizzas. From now until February 14th, Boston Pizza guests are invited to add a \$2 donation or a Chocolate Explosion Dessert to their bill, in support of a local charity selected by each local Boston Pizza franchisee.

Plus, for the first time ever, Boston Pizza's Heart-Shaped Pizzas will be available to order on two days (February 13th & 14th) instead of one. "We know things will be different for Canadians this Valentine's Day, so we've made it easy for our guests to enjoy a Heart-Shaped Pizza at home, while helping our amazing franchisees give back to their communities", says Peter Blackwell, SVP Marketing & Communications. "As a proudly Canadian company with all of our locations being locally-owned and operated, it's amazing to see the impact our franchisees are having on their communities. Our Valentine's Day fundraising drive is just the latest example of our brand's long-standing commitment to giving back."

Heart-shaped pizzas will be available in small and medium sizes and can be ordered for dine-in (where permitted), take-out or delivery at every Boston Pizza location on February 13th and 14th, while supplies last. \$1 from each pizza sold will be donated to a local charity selected by each location.
