

BOSTON PIZZA FOUNDATION FUTURE PROSPECTS

“Dough raising” isn’t strictly kept in the kitchen at Boston Pizza.

For over 25 years our guests have helped us raise funds that contribute to the health and well-being of at-risk children. To date, the Boston Pizza Foundation has raised and donated over \$20 million to charities in communities across Canada and around the world.

Boston Pizza believes that strong role models inspire kids to be great. That’s why in 2014 Boston Pizza Foundation created Future Prospects to focus our efforts and help support youth in our communities and across the country in partnership with organizations like Big Brothers Big Sisters, Kids Help Phone, JDRF, Live Different and other programs that mentor kids to reach their full potential.

Every child has the ability to make a difference in the world, and at Boston Pizza we value how important positive role models and mentors are in a young person’s ability to reach their dreams. Through Boston Pizza Foundation Future Prospects and our partnering organizations, we will work together to ensure ALL kids have the opportunity to have a positive mentor or role model to help support, guide and empower them to become all that they can be.

BPF Future Prospects is proud to support five charities on a national level: JDRF, Kids Help Phone, Live Different, Big Brothers Big Sisters, and the Rick Hansen Foundation. We also support a host of other deserving charities throughout Canada and abroad.
